

# PRESCHOOL SUMMER CAMPS at

## **JUNE: Nature Camps (June 8-11, 15-18, 22-25, 29- July 2)**

Children will explore hands-on opportunities to learn about life on the farm, the world of water, creatures around us and the earth beneath us. Farm animal care, gardening work and gem mining are some of the real life experiences offered this month.

## **JULY: Healthy Kids Camps (July 6-9, 13-16, 20-23, 27-30)**

Campers will learn about staying active and healthy with plenty of outdoor time and nutritious food. Digging in the garden, walking through nature, obstacle courses, Kindermusik and movement, and working in the kitchen will tie together all of the concepts introduced in this month's camps.

## **August: Art Camps (August 3-6, 10-13, 17-20, 24-27)**

Open-ended art activities inspired by the Reggio-Emilia approach to education will provide little ones plenty of opportunities to explore their creativity freely and produce paintings, drawings, sculptures, collages and even to discover many new mediums. Children will display their art for parents, friends and family at the end of each week during our "Gallery Walk."

### ***Toddler Camps for ages 18mo-3yrs***

Mondays 9am-12pm OR Tuesday-Thursday 9am-12pm

### ***Preschool Camps for ages 3-5yrs***

Monday-Thursday 8:30am-12pm
